NEW LOWER PARKING RATES!

NEW PARKING LOT LOCATIONS!

To enhance the visitors' experience and reduce parking congestion, the Enercare Centre (formerly known as the Direct Energy Centre) has come up with a plan that will provide festival attendees easier access and more locations to park in the immediate vicinity of the exhibit halls.

A key element of this plan is to free up the underground parking by incenting you, the exhibitor/garden builder/designer (exhibitor), to park elsewhere and offering a reduced parking rate

- The Queen Elizabeth Building (see attached map*) will become an indoor parking area for exhibitors only. The cost of a 10 Day Parking Pass will be **$100** ($10 per day).
- Lots A (Gore), N and P (see attached map*) are available for outdoor exhibitor parking. The cost of a 10 Day Parking Pass will be **$50** ($5 per day)

*Free shuttles will be available from all of these locations.

Please note that 10 day passes must be ordered prior to the festival.

Complimentary Exhibitor parking will be available in designated lots during the move-in March 7-10 inclusive.

Underground parking at the Enercare Centre will not be available to exhibitors.

Please note that these changes are being made to improve the experience of your customers so they arrive in good spirits and ready to buy! We appreciate your cooperation as we implement this plan for the 2016 Canada Blooms co-located with Canada Blooms.

Please see parking forms included or visit our exhibitor kit online for more information website
